Duties and Responsibilities of the Head of Corporate Compliance

As the center of corporate compliance, the Head of Corporate Compliance is responsible for overseeing business operation of the Company and its subsidiaries to be in line with laws, rules, regulations, and policies, including the regulations as stipulated by relevant Regulators such as the Office of the Securities and Exchange Commission (the SEC) and/or other official agencies that are relevant to business operation of the Company. The Board of Directors has approved the policy as regards compliance and has the Business Ethics established for the Board of Directors, the Audit and Corporate Governance Committee, the executives and the entire employees to comply accordingly. Furthermore, the Head of Corporate Compliance is responsible for communicating with the employees to have them aware that it is a duty of every employee to study and understand the laws and rules that are relevant to the work under their responsibilities and to completely perform their duties to strictly comply with such laws and regulations.
